

Master's Degree Project

Department of Biology, Lund University

☐ I have read degree project instructions

(Date and Student signature)

☐ Student fulfills requirements

(Date and Study Advisor signature)

Name of student

Civic reg. number (Personnummer)

E-mail

Phone

Major in:

☐ Biology

☐ Molecular Biology

☐ Bioinformatics

General or Specialization:

☐ General

☐ Anim Ecol

☐ Aqua Ecol

☐ Conserv Biol

☐ Evol Biol

☐ Plant Biol

☐ General

☐ Immun and Infect biol

☐ Microbiol and Biotech

☐ Molec Genetics and Biotech

Credits:

☐ 30 credits (hp)

☐ 45 credits (hp)

☐ 60 credits (hp)

☒ Insurance needed (project abroad)

I need the Animal Welfare course*

I need the Chemical Safety course**

Project includes sensitive data***

Project Dates:

Start: _____ (year, month, day)

Half time: _____ (year, month, day)

End: _____ (year, month, day)

Preliminary Project Title (or subject)

Short project description

Department/Place of work:

Supervisor:

Name _____ Dept. _____

Email _____ Phone _____

Co-supervisor *(if applicable)*:

Name _____ Place of work _____

Email _____ Phone _____

For projects outside LU only: Internal supervisor at Dept. of Biology:

Name _____ Unit/Enhhet _____

Email _____ Phone _____

☐ **Approved by Supervisor**

(Date and supervisor signature)

☐ **Project and supervisor approved by Examiner/Coordinator:**

(Date and Examiner/Coordinator signature)

☐ **Project plan approved by Coordinator (_____):**

(Date and Examiner/Coordinator signature)

* **The Animal Welfare course** is needed if you are going to handle experimental animals - check with your supervisor

** **The Chemical Safety course** is compulsory for all working independently in a laboratory. You will probably also need an introduction to the lab you will work in - check with your supervisor

*** If your project includes **sensitive data** (usually human data) it may be restricted on which platform these can be handled - check with your supervisor/co-ordinator
